- Attractive employer

The hardware decided

- Ground floor - public
- Meeting rooms
- Contact center
- City council
- Restaurant & cafe
- Administration serving the municipality
- 1500 persons ABW

The software challenge

When it comes to construction of new landmarks in the urban environments, the demand for a clear vision, based on a powerful authentic story, has never been more important.

The city of Uppsala carries two powerful stories already. One from the University, and one from the Church.

How do we find the story that attracts the inhabitants of Uppsala, to become frequent visitors in their city hall?
